NOTICE OF CITY MEASURE ELECTION

Notice is hereby given on July 20, 2016, that a measure election will be held in the City of Springfield, Oregon on November 8, 2016. The following shall be the ballot title of the measure to be submitted to the city's voters:

CAPTION: **Imposes a 3 cents per gallon motor fuel tax increase**

QUESTION: Shall Springfield increase its motor vehicle fuel tax from 3 cents to 6 cents per gallon?

SUMMARY: The City is responsible for maintaining a street system that provides safe and reliable travel, and supports business. Existing funding is inadequate to address the backlog of street repair and preservation projects. A 2015 street condition report determined that 51% of Springfield's streets are in poor condition. The proposed tax increase would raise approximately \$1.1 million per year and would be dedicated to the reduction of the backlog of street repair and preservation projects.

Approval of this Measure would increase the tax rate on motor vehicle fuel sold, used, or distributed in the City from 3 cents per gallon to 6 cents per gallon. An annual report would be published to document projects funded by the increased fuel tax revenue.
